4-GRIEVANCE PROCEDURE

Definitions

1. A "grievance" is a claim based upon an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application of any of the provisions of this Agreement.
2. An "aggrieved person" is the person or persons making the claim or the Association making the claim.

4-GRIEVANCE PROCEDURE (cont'd)

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

Procedure

Each employee has a right to be heard by his supervisor, principal, assistant superintendents, superintendent, and Board of Education, on conditions concerning his employment. It is understood that he will proceed through the levels outlined in this procedure. Grievances shall be submitted on a form available in the office of the principal.

All employees, including grievant or grievants, shall continue under the direction of the superintendent and other administrator regardless of the pendency of the grievance until such grievance is officially resolved. The continuance of duty will not constitute an agreement as to the disposition of the grievance.

It is the intent of both parties in interest to process all grievances as expeditiously as possible.

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced, so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

4-GRIEVANCE PROCEDURE (cont'd)

Concerning all levels, both parties shall adhere to the following schedules for submitting and processing grievances except under unusual and extenuating circumstances.

Rights to Employees to Representation

Any party in interest may be represented at all stages of the grievance procedure by himself or, at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall have the right to be present and to state its views at all stages of the grievance procedure.

Level 1

Any aggrieved person must present his grievance to his principal/supervisor within thirty (30) work days of the occurrence. After discussion of the grievance, the principal/supervisor must reach a decision within six (6) work days of the date in which the grievance was presented.

Level 2

If no resolution has been reached after the six (6) work day period, the aggrieved person may present his grievance to the Association within ten (10) work days. This presentation must be made in writing. This presentation will be made for the purposes of studying the merit of the grievance and/or to see if the grievance can be resolved through the grievance committee. The grievance committee reserves the right to consult with the aggrieved person's principal/supervisor in order to facilitate resolution of said grievance. A decision must be reached at this level within six (6) work days.

Level 3

If no resolution has been reached at level 2, the grievance may be submitted in writing to the superintendent of schools within ten (10) work days. The superintendent must rule on the grievance within fifteen (15) work days in writing.

Level 4

If no resolution has been reached at Level 3, the grievance may be submitted in writing to the Board within ten (10) work days. The Board must rule on the grievance within fifteen (15) work days. The Board shall respond in writing within this period to the individual or group presenting the grievance and shall inform the Association of its action.

4-GRIEVANCE PROCEDURE (cont'd)

Level 5

If Level 4 does not result in resolution, the aggrieved person may request in writing within ten (10) work days that the Association, through the proper officers and/or committees, submit the grievance to advisory mediation. If the Association feels that the grievance is meritorious, it may submit the grievance to mediation within ten (10) work days after receipt of this request by the aggrieved person.

The Board and the Association will each name one advisor within ten (10) work days. A third member, who shall be chairman, shall be named by the first two within fifteen (15) work days. If the parties are unable to agree on the third member, he shall be selected in accordance with the rules and regulations of the American Arbitration Association.

This advisory board shall report recommendations for settlement within ten (10) work days. The recommendations shall be submitted to both parties.

Each advisor shall be paid by the party selecting him, and the expense of the chairman shall be shared equally by the Board and the Association.

Miscellaneous

1. If, in the judgment of the Association Grievance Committee, a grievance affects a group or class of employees, the Grievance Committee may submit such grievance in writing to the superintendent directly, and the processing of such grievance shall be commenced at Level 2.
2. Decisions rendered at Level 1 which are unsatisfactory to the aggrieved person shall be in writing setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the chairman of the appropriate association committee.
3. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

4-GRIVANCE PROCEDURES (cont'd)

4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedure.
5. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives, heretofore referred to in this section.

5-BOARD OF EDUCATION'S LEGAL PREROGATIVES

The right to manage the school system and to direct the personnel and operation of the schools, subject to the limitations of this Agreement, is exclusively vested in and retained by the Board.
